DON'T MISS AN ISSUE, OR YOU MAY MISS YOUR CONTRIBUTION.

## KNOCK! KNOCK! WHO'S THERE?

Accordion.  
Accordion who?  
According to the paper it's going to rain.  
This great Knock Knock joke came from Linda Miles of Salisbury, Connecticut.

Are you there when it comes to KNOCK KNOCK jokes? We've decided that since they are such fun we will include some of them in the JOKES ON YOU page along with riddles and jokes.

When we do print these KNOCK KNOCKS, in order to avoid saying "Knock knock" and "Who's there" each time, we'll just do it this way: Howie.

Howie who?

Howie about some Knock Knocks from you Gold Key Comics Club members!

## GOLD KEY COMICS CLUB WELCOMES NEW MEMBERS

### HOW TO JOIN

Here's all you have to do to join the Gold Key Comics Club!

Sign the Membership Card and you automatically become a Club member.

Cut the card out, carry it around and show it to your friends. You'll find that many of them are already Club members.

THEN—send in your jokes, riddles, Knock Knocks and drawings. Right now the drawings we want are those of animals, airplanes and inventions.

To those who are already members! Is your old card worn out, mislaid, folded, spindled or mutilated? Here's a fresh one to replace it.

DON'T DELAY—SIGN TODAY.

### ALL READERS ELIGIBLE TO JOIN

### FREE! FREE!

Don't be an outsider! It costs you nothing to join and you can stay a member as long as you like.

When we began the Gold Key Comics Club over a year ago, what a response! We were overwhelmed—with your jokes, riddles, drawings.

Then came the Comic Book election, and your ballots poured in telling us which your favorite comics were. Your votes showed we were on the right track—a variety of books appealing to a variety of readers from Alaska to Zanzibar (no kidding!)

Meantime, a whole new group of readers has discovered Gold Key Comics—and to you we say "Welcome to the Club!"

### DO YOU WANT TO SEE YOUR NAME IN PRINT?

You don't have to buy your own printing press. You can have it printed in Gold Key Comics and show us how talented you are at the same time. Send us an original drawing or a favorite joke. Print your name (legibly) on any contribution. Then we'll know that you have signed the application cut-cut card and are a full-fledged member of the Gold Key Comics Club.

## IGUANODON

Living mainly on twigs of pine trees, the iguanodon used its long tongue to draw down its food, much as a giraffe does.

The iguanodon's small forelegs had five digits, with the thumb shaped into a sharp spine it could use for defending itself.

Loping across the European continent of a hundred million years ago, the iguanodon was a harmless plant-eating dinosaur, despite its stern appearance. Standing about eighteen feet high and measuring over thirty feet long, it advanced with hops on its powerful hindlegs, although it could move on all fours. The iguanodon's strong, long tail could serve as a lashing weapon, or a counterbalance as it made a short gallop on its hindlegs. Its name means "iguana tooth" as its teeth resemble those of a giant iguana.
